ABOUT PRONORTH MEDICAL CORPORATION

ProNorth Medical Corporation is a licensed Health Canada distributor and has been in business since 2011. *We provide quality products at the best prices to help caregivers deliver superior outcomes to their patients.* Our company is based in the beautiful province of British Columbia, Canada and provides sales coverage from coast to coast. While based in Canada we sell world class surgical devices to Healthcare Professionals around the globe. Individually and collectively, our professional team has extensive experience in the healthcare industry. Our comprehensive website is just one example of the ongoing dedication we have to bringing you products and information that will enhance your business in a variety of ways. Nobody understands and can provide for the unique needs of our clients as well as us. We invite you to take a moment to explore our website and utilize some of the helpful tools and information that we've provided here within. We hope you find these resources to be helpful and we [welcome any](#) feedback that will help us to better serve your interests and needs.
